## Appendix - Post-Test Teaching Assessment

---

## Familiarity with the library

1.  What is your confidence level in doing library research and searching?
    1 [very low comfort level] – 7 [very high – expert researcher]
    *Circle the appropriate level of confidence*

| 1 | 2 | 3 | 4 | 5 | 6 | 7 |
|---|---|---|---|---|---|---|

## Teaching methodology

1.  Did you find the class format (pre-class videos combined with in-class discussion and activities) engaging? *1 [not engaging] – 5 [very engaging]*

    1 - Not engaging        2        3 - Neutral        4        5 - Very Engaging

2.  Did you prefer this course format to a traditional lecture based course format (i.e. spoken lecture during class time)? Y/N

3.  Did the instructor hold your attention? *1 [not engaging] – 5 [very engaging]*

    1 - Not engaging        2        3 - Neutral        4        5 - Very Engaging

4.  How well did the pre-class reading/video help you to understand the course content? [scale 1 – 7]

    1 – Not Helpful  2        3        4 – Neutral        5        6        7 – Very Helpful

    Why?

5.  How well did the in-class discussion help you to understand the course content? [scale 1 – 7]

    1 – Not Helpful  2        3        4 – Neutral        5        6        7 – Very Helpful

    Why?

6.  How well did the in-class activity help you to understand the course content? [scale 1 – 7]

    1 – Not Helpful  2        3        4 – Neutral        5        6        7 – Very Helpful

    Why?
