

**Identifying concepts and related terms**  
**AEHM 205: Science Literacy**

This exercise is due **XXXX**. You can hand in your exercise in person at the library information desk.

*If you do not know enough about the topic you are expected to do some background reading. For the purposes of this exercises, you do not have to provide references.*

---

**For the research questions below, identify the key concepts and provide related terms for each.**

1. Does prescribed burning effectively control the spread of smooth brome in tall grass prairies.
2. Can the decline of the woodland caribou population of Alberta be alleviated by a wolf cull?
